

Marco Fossataro
Chief Financial Officer and Senior Vice President
Enel Green Power North America, Inc.

Marco Fossataro is responsible for Enel Green Power North America, Inc.'s (EGP-NA) treasury, financial planning and analysis, operational finance, accounting, tax, and risk management.

Mr. Fossataro joined EGP-NA in 2006 after serving for three years at Enel corporate headquarters in Rome as the Head of Group Purchasing Control, with the responsibility of controlling the entire Enel Group purchasing portfolio.

Although Mr. Fossataro's most recent focus is in the energy industry, as a former manager at KPMG Consulting, he has advised clients on business planning, control, purchasing and logistics, and corporate turnaround in a number of industries including chemical, transportation, consumer goods, telecommunications and real estate.

Mr. Fossataro holds an MBA from Columbia Business School and London Business School. He graduated *cum laude* from La Sapienza University of Rome with a degree in business administration. He has lived, studied, and worked in Italy, Spain, the United Kingdom and the United States.
