

Pascal Brun

President, Enel Green Power Canada, Inc.

Senior Vice President, Enel Green Power North America, Inc.

Pascal Brun, President of Enel Green Power Canada, Inc. and Senior Vice President of Enel Green Power North America, Inc. (EGP-NA), is responsible for overseeing business development and administration of the Company's Canadian investments. Those investments include the St. Lawrence Wind Project in Newfoundland and Labrador, the St. Félicien Biomass Project in Quebec, and the Castle Rock Ridge Wind Project in Alberta.

Mr. Brun also oversees the development of new projects in Canada, including a number of wind projects in Alberta.

Mr. Brun has been with EGP-NA and its predecessor companies since 1988. Previously, he was vice president of the SNC Group (now SNC-Lavalin), a large Canadian engineering and construction firm.

He holds an MBA from the University of Montreal and bachelor's degree and master's degree in applied sciences from Laval University.
