AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 23 SEPTEMBER 2019 (AS AMENDED) FOR THE 168MW IMPOFU WEST WIND FARM AND ITS ASSOCIATED INFRASTRUCTURE NEAR OYSTER BAY WITHIN THE KOUGA LOCAL MUNICIPALITY IN THE EASTERN CAPE PROVINCE

The Environmental Authorisation (EA) issued for the abovementioned application by this Department on 23 September 2019, the amendments issued on 16 November 2020, 06 December 2022 and 07 March 2025, your application for amendment received by the Department on 22 October 2025 and the acknowledgement letter dated 04 November 2025, refer.

Based on a review of the reason for requesting an amendment to the above EA, this Department, in terms of Chapter 5 of the NEMA EIA Regulations, 2014 as amended, has decided to amend the EA dated 23 September 2019, as amended as follows:

Amendment 1: Amendment to Condition 98 of the EA issued on 23 September 2019, as amended

Condition 98 on Page 21 of the EA is amended:

From:

"Commercial messages and graffiti on turbines are prohibited."

To:

"Commercial messages and graffiti on turbines are prohibited. Murals and/or art paintings on turbines are only permitted subject to written approval from the Competent Authority."

Amendment 2: Insertion of Condition 98A to the EA issued on 23 September 2019, as amended

"The holder is authorised to apply a non-commercial mural to Turbine W2 (~34°5'23.20"S, 24°33'12.52"E), limited to a maximum height of 11 metres above the base of the turbine. The mural may not affect turbine visibility or interfere with applicable aviation safety requirements, and no lighting or additional visual elements are permitted without prior written approval from the Competent Authority."

Reason for amendments:

Red Cap Impofu West (Pty) Ltd identified an opportunity to promote community engagement at the wind farm as part of Creating Shared Value (CSV) initiatives. It is proposing a collaboration between local artists and schools to paint art murals at the base of the identified turbine.

This amendment letter must be read in conjunction with the EA dated 23 September 2019, as amended.
