

Flat Rocks Wind Farm

Stage 1

Community Fund

Enel Green Power, owner of the Flat Rocks Wind Farm Stage 1 project, has established a Community Fund of \$75,000 per year, with around \$2,250,000 to be invested via the Fund within Kojonup and Broomehill Tambellup Shires throughout the life of the Project. The aim of the Community Fund is to support non-profit organisations around wind farm project area by funding projects that benefit the broader community.

We're pleased to share that we received 26 applications for the inaugural year of the Community Fund and would like to thank everyone involved in the application process. A very warm congratulations to the successful recipients of the Flat Rocks Wind Farm Stage 1 Community Fund for 2023.
